Notes from the Editor

We were sorry to hear of the passing of Jane Jay, another long-time Badingham resident. We recently spotted Jane in the ladies football team on the archive film of Badingham's celebrations for the Silver Jubilee which you can find on YouTube. There was also a fond farewell to Gordon Giles, who helped run the Youth Club when he lived and worked in Badingham. Do you remember Gordon dressed as Buzby at the village fete?

Youth Club wasn't confined to Thursday evenings, we also went roller skating on Saturday afternoons and I remember a trip to Windsor Safari Park. At the recent workshops, I noticed several comments about lack of youth provision in the village. I'm sure the church and community council would be open to collaborating on any ideas you might have – from Christmas parties, to outings to more regular events. Rev Claire is organising two Messy Mornings during the summer holidays – more details inside.

There is a flyer inserted with the Echo which links to a survey being conducted on behalf of the church asking for your thoughts on what's needed in the village. You can also find the details on page 19.

While rain means harvest is currently on pause, plans are being made for the Harvest Festival – don't forget to book your tickets for the Harvest Lunch. It's a slightly earlier date this year. Harvest is looking earlier too. We were forced to combine the oilseed rape early and late in the day because the recent hot weather was making the seed too dry and hot. Now we are waiting for the wheat to ripen. It's cooler and fresher today – cool enough to make a roast dinner... time to whip up the batter puddings!

Hope to see you around the village soon. Best wishes, Tish

BADINGHAM

COMMUNITY COUNCIL

I hope everyone has been coping with the hot weather – a good excuse not to do very much and just enjoy the sunshine.

Village Fete

The BCC extends a warm welcome to residents, family and friends to our annual village fete on Saturday 6th September, from 1 to 4 pm, at the White Horse Pub. Please support this event as it's a great way for the village to get together. Please, if you can help in any way, get in touch.

Stalls

Can you book a stall? Book a stall for only £5 to make money for yourself or your group. Call Pauline on 01728 602542 to make a booking. Please bring your own table, if possible.

Cakes

We have some amazing cooks in the village. Many delicious cakes appeared at last year's fete. We would be grateful to receive any cakes, scones, buns, biscuits etc for this year's cake stall. These can either be taken to Wendy at Bankside the evening before or brought to the White Horse on the morning of the fete. Please cover your cakes and label them if they contain nuts etc. Wendy's contact number is 01728 638738.

Cake Competiton

Wendy is organising a baking competition – further details opposite.

Raffle and Tombola

We appreciate all donations for the raffle, tombola and childrens tombola, however large or small. Again, these can be delivered to Wendy, preferably before the fete so they can be sorted and labelled.

Special Menu

The White Horse have agreed to provide a Street Food menu for the fete. Hot and cold drinks will be served from the bar too.

We look forward to welcoming you all to the fete.

Facebook: Badingham Café

Website: badingham.org.uk/Badingham-cafe

The café has been open as usual throughout the summer months on Wednesday and Thursday mornings between 10.30am and 12.30pm. As always it provides a friendly & welcoming place for all our friends and neighbours to meet & enjoy our delicious home bakes with tea or coffee. Our group of old codgers are always present putting the world to rights in their corner and our regular Wednesday walking group ensures that Wednesdays are always busy and buzzing with chatter & laughter. The Wednesday Walks leave the cafe at 10.00am each week & the group does a walk of about an hour on various footpaths in the local area. New walkers will be warmly welcomed into the group.

On Sunday 1st June one of our ever popular afternoon teas was organised by Karen & Clark who laid on a splendid array of homemade cakes & scones etc. Lots of people came along & enjoyed great company & the fabulous array of cakes on offer. Many thanks to Karen and Clark.

On Friday 20th June the Village Hall was transformed into a wonderful boulevard café with parasols and fairy lights for our French Evening. Forty people attended and due to the lovely weather they enjoyed their aperitifs and nibbles outside on the terrace. They then enjoyed a delicious three course French meal which was very kindly prepared for us by Thierry & Penny Aubugeau to whom we offer our sincere thanks. A big thanks to Bethany Picton who sang a lovely selection of classical songs and also to all the volunteers who helped set up, the waitresses and our sommelier Caroline. A truly fabulous evening was had by all those who attended, so much so that some of them didn't want to go home!

SAINT JOHN THE BAPTIST'S CHURCH BADINGHAM

Midsummer Celebration

What a hot day it was! Thank you to the many people who braved the heat and came along to enjoy the event. It was great to see Teddies flying up and down on the zip wire from the church tower, circus tricks being performed, Candy Floss and Toffee Apples being consumed as well as ale, tea and cake, the music from Annie, Martin and Jude, accompanied by their amazing puppets completing the great atmosphere. We were also pleased to have so many people coming into the church to find out about the repairs needed to the church roof and to see how we were progressing through the development phase of our National Lottery Heritage Fund grant. We are grateful to the NHLF and their players for this support.

A huge thankyou to everyone who helped to prepare, who helped through the afternoon and who provided cakes and who helped to clear away afterwards, on such a hot day it was an amazing effort from you all and very much appreciated.

The donations on at the event for the repair of our church roof amounted to £391.48. Thank you to everyone who contributed.

Badingham Church Bells

It is always lovely to hear the bells rung and to have them welcome us to services. That doesn't just happen of course, the ringers practice and the bells must be serviced and maintained. Thank you, Jason, for looking after Badingham's bells and for getting the repairs that were needed done to the ropes.

Church Roof

We are continuing to work through the Development Phase of our National Heritage Lottery Fund grant.

The open afternoon held in the village hall in conjunction with our Activity Consultant and Evaluation Consultant was very well supported and very valuable to help inform our consultants about Badingham and people's views on what they would like to see happening in the village and church. The Activity Consultant has since interviewed people in Halesworth, Southwold and Framlingham seeking their views on Badingham.

Alan has submitted the quarterly report to the NHLF ready for our meeting with our lottery advisors next week.

David Carrington from Skillingtons has begun his survey of the Cotton tomb in the church chancel and will be back again on July 22nd to complete his survey.

We have an important meeting with the Lottery Fund in October when they look at all our draft repair specifications, our permissions from the Diocese for the repair, our activity plans for the future and our readiness to submit an application for a grant. We are hoping to submit our application for the grant for the repairs in February.

Dennington Hall Farms

All residents of Dennington and Badingham parishes are invited to an **Open Evening and BBQ at Dennington Hall Farm on September 12th** at 4.30. This is our opportunity to show some of what we do and hear your thoughts about the land we farm. To help with numbers, please email info@denningtonhall.com if you know that you would like to come.

This year, instead of having an Open Farm Sunday we took a stand at the Suffolk Show . With the stand beside the Foxhall entrance many thousands of people came past giving us an opportunity to explain what we are doing on the farm. Laura, Ryan, Ed, Tim and Kate had an extremely busy two days talking to people. We shared the stand with Restore Ecology, who are helping with our Turtle Dove Restoration project, No Fence livestock collars, whose collars we use to allow the cattle and goats to graze unfenced areas, Wild Farmed, for whom we are growing wheat and barley, and we had a drone on the stand to show how new technology is helping farm in different ways. Bruisyard Country Estate provided canapes and showed how the different aspects of farming and hospitality are connected. I was very proud of the way the team presented what we are doing here. The Suffolk Show is a celebration of much that is special about Suffolk; we all enjoyed being a part of it.

The farm has also become a demonstration farm for the Agriculture and Horticulture Development Board (AHDB). 60 people from farms and connected rural businesses came round the farm recently on our launch event. This is a three year commitment and our target areas for discussion include succession and sustainability. We have also hosted evening walks for the Country Land and Business Association, Framlingham Farmers staff and Harleston Young Farmers.

Teresa, Ryan and Sally have acted as Stewards at the Suffolk Agricultural Association's School Farm and Country Fair and the Farm Student Day.

The meat boxes from our small herd of Red Polls have been selling well. Many thanks to those who have tried them and for their appreciative comments. The link for ordering is <https://www.denningtonhallfarms.co.uk/farm-produce>

We have been joined in our team here on the farm by Ed Blake as assistant farm manager who has moved down from Norfolk and another Matt as sprayer driver – Matt Wilson. Bradley Leist continues in his key role while Lucas Foster, Connor Iveson and Jasper Maberly will be joining us for harvest. Sean Howlett continues to look after the hedges. We look forward to seeing many of you here in September after harvest. Robert Rous

News from **Enterprise Badingham**

Several of our gardeners enjoyed welcoming people to the community gardens at the midsummer celebration in the churchyard on 21 st June. The gardens were looking wonderful and it was a chance to show the variety of produce grown there.

There is still one plot available so if you fancy growing a few extra veg or flowers next year, please contact Annie 638130 or aelea1550@gmail.com Remember we are selling the seasonal village recipe booklets in the café, £3.50 each or a set of all 4 for £12.50. Any profit goes to maintaining the community herb garden at the village hall.

Church Foodbank Summer “Meal Appeal”

We are collecting items for the Waveney Foodbank depot that can be distributed to families who are struggling to fill the gap in the absence of free school lunches during term time.

The Foodbank have suggested items that can make up meals for kids such as tinned meat, potatoes and vegetables, tinned curry and packet rice, tuna and pasta etc. Also bottles of squash and biscuit bars (Penguins, Kit Kats etc).

All recipients of Foodbank help have previously been deemed as requiring help from an official agency, so all donations will really make a difference to people who need our support.

If you would like to help by donating even one item, there is a collecting crate just near to the Altar in the Church.

Thank you, Patricia

Kurling

There will be a Kurling summer break for the months of July and August as in the past. We hope to see you all again on Thursday 18th September at 7.15 pm in the village hall.

Have a lovely summer.

Best wishes

Hammerbeams, Heritage and Health – Restoration at St John the Baptist, Badingham

St John the Baptist Church in Badingham is Suffolk's most at-risk church. Thanks to The National Lottery Heritage Fund, the rare hammerbeam roof will be restored alongside the development of a community activities plan that will shape the future of the role of the church for the community of Badingham and for the people of Suffolk and beyond.

You are invited to have your say about how you'd like the church to be used for activities in the future and share your views on local history and heritage.

NEIGHBOURHOOD WATCH

Sonja Russell - Lead Co-ordinator

New phone number: 07821 235834

I'm pleased to say there is nothing to report around Badingham. If you know of any crime around the village, please let me so others can be warned.

Ticketmaster

Once again, I advise caution when using Ticketmaster to buy your tickets for various events. They were hacked in 2024 and a significant amount of customer data (names, addresses etc) was stolen. Customers whose data was stolen are more at risk of fraud, identity theft and scams. It's sensible for us all to monitor our bank accounts for fraud and be cautious of unsolicited emails, especially those with links, attachments or requests for personal information.

Drug Driving

Shockingly, thousands of motorists have been caught drug-driving multiple times, sparking calls for the introduction of rehabilitation courses for offenders. In data for the 11 years to July 2024, 33,020 British drivers had been convicted of this offence multiple times. Of these, 3431 motorists had been caught on four or more occasions and 54 had been prosecuted 10 times. Do be careful on the road.

Card Fraud

Contactless payment is increasingly popular, with at least 1 in 3 card payments using this technology. If a card is lost or stolen, unauthorised payments, up to £100 each time, can be made without a PIN code. There are many myths relating to the security of this payment system. I will explain more about the process in the next Echo.

As a warning, I had someone attempt to access my account while on holiday in May. I shall not be using contactless payment any more.

Have a lovely summer. Remember to look after your belongings and your cards. Sonja

Picnic in the Herb Garden

Badingham Ladies lunch club enjoyed a picnic in the community herb garden at the back of the Village Hall. A great time was had by all. Good food, good company and fabulous weather.

It's a lovely venue and it would be nice if it was used more.

The ladies meet on the first Wednesday of the month.
